**NOTICE OF ANNUAL GENERAL MEETING**

**NOTICE** is hereby given that the **Twenty Seventh Annual General Meeting** of the Members of **MARUTI INFRASTRUCTURE LIMITED (CIN - L65910GJ1994PLC023742)** will be held on **Thursday, 30<sup>th</sup> September, 2021** at **11:45 a.m.** through Video Conferencing/Other Audio Visual Means (VC/OAVM) to transact the following business:

**ORDINARY BUSINESS:**

1. To consider and adopt the Audited Financial Statements of the Company for the financial year ended on 31<sup>st</sup> March, 2021 and the Reports of the Board of Directors and Auditors thereon; and
2. To appoint a Director in place of Mrs. Hiteshi N. Patel (DIN: 01827517) who retires by rotation and being eligible, offers herself for re-appointment.

**SPECIAL BUSINESS:**

3. **Redesignation of Mr. Chetan A. Patel (DIN: 00185194) from Independent Director to Whole Time Director:**

To consider and if thought fit, to pass, with or without modification(s), the following resolution as a **Special Resolution:**

“**RESOLVED THAT** in accordance with the provisions of sections 196, 197, 200, and 203 read with Schedule V and all other applicable provisions of the Companies Act, 2013 (the “Act”) and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modifications or re-enactments thereof for the time being in force), read with Articles of Association of the Company and as recommended by the Nomination and Remuneration Committee and approved by Board of Directors and such other approvals as may be necessary, the consent of the members of the Company be and is hereby accorded to the re-designation of Mr. Chetan A. Patel (holding DIN:00185194) as the Whole Time Director of the Company with effect from 15<sup>th</sup> December, 2020, for a period of Three years on the terms and conditions including remuneration as set out hereunder:

1. **Period of Appointment**

The period of Appointment is for the period from 15<sup>th</sup> December, 2020 to 14<sup>th</sup> December, 2023.

2. **Remuneration**

(A) Monthly Salary of Rs. 60,000/- (Rs Sixty Thousand Only)

(B) Minimum Salary

In the event of any absence or inadequacy of profits in any financial year of the Company during his tenure, the remuneration payable to Mr. Chetan Arvindbhai Patel shall be in conformity with the conditions specified in Section II of Part II of the Schedule V of the Companies Act, 2013 or any modifications thereof to the extent and in the manner as may be mutually agreed by the Company and the appointee.

**3. Powers:**

Mr. Chetan Arvindbhai Patel will exercise such powers and duties as may be entrusted by the Board from time to time.

**4. Sitting Fees:**

The appointee shall not receive any sitting fees for attending any meeting of the Board or Committees thereof.

**5. Retirement by Rotation:**

The appointee shall be liable to retire by rotation at Annual General Meeting of the Company.

**RESOLVED FURTHER THAT** the Board of Directors of the Company be and is hereby authorised to alter, amend or vary the terms and condition of the appointment, subject to the overall limits specified by the Companies Act 2013 as amended from time to time, to the extent recommended by the Nomination and Remuneration Committee from time to time as may be considered appropriate, without the further approval of the members of the Company but with such other approvals, sanctions or permissions, if any, required for such revision in the remuneration.

**RESOLVED FURTHER THAT** the Board of Directors of the Company be and is hereby severally authorized to do, perform all such acts, deeds, matters and things, as they may deem necessary, proper, expedient in their sole and absolute discretion and take all such necessary steps as may be required in order to give effect to this resolution.”

4. Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc. authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/ Authorization shall be sent to the Company at maruti\_infra@yahoo.com.
5. The presence of the Members attending the AGM through VC / OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
6. Information pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard - 2 with respect to Directors seeking appointment / re-appointment at the Annual General Meeting is attached hereto.
7. In case of joint holding attending the meeting, only such joint holders who are higher in the order of the names will be entitled to vote.
8. The requirement to place the matter relating to ratification of appointment of Auditors by Members at every AGM is done away with vide notification dated 7<sup>th</sup> May, 2018 issued by the Ministry of Corporate Affairs, New Delhi. Accordingly, no resolution is proposed for ratification of appointment of Auditors, M/s Philip Fernandes & Co., Chartered Accountants, Ahmedabad (Firm Registration no. 128122W) who were appointed in the 23<sup>rd</sup> Annual General Meeting held on 29<sup>th</sup> September, 2017 for a period of five years.
9. Relevant documents referred to in the accompanying Notice and the statement pursuant to Section 102(1) of the Companies Act, 2013 and also the Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, and the other documents will be available electronically for inspection by the members without any fees from the date of circulation of this Notice up to the date of AGM, i.e. 30<sup>th</sup> September, 2021. Members seeking to inspect such documents can send an email to maruti\_infra@yahoo.com.

10. SEBI Notification No. SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018 and further amendment vide Notification No. SEBI/LAD-NRO/ GN/2018/49 dated November 30, 2018, requests for effecting transfer of securities (except in case of transmission or transposition of securities) shall not be processed from 01<sup>st</sup> April , 2019 unless the securities are held in the dematerialized form with the depositories. Therefore, Shareholders are requested to take action to dematerialize the Equity Shares of the Company promptly.

15. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and above mentioned MCA Circulars, the members are provided with the facility to cast their vote by electronic means through the remote e-voting or through e-voting on the date of AGM, by using the platform provided by CDSL and the business may be transacted through such voting. The process for electronically voting is mentioned herein below.

16. Members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the Cut-off date i.e. Thursday, 23<sup>rd</sup> September, 2021, shall be entitled to avail the facility of remote e-voting as well as e-voting system at the 27<sup>th</sup> AGM.
17. The Voting rights of members shall be in proportion to their shares of the paid-up equity share capital in the Company as on cut-off date i.e. Thursday, 23<sup>rd</sup> September, 2021.
18. A person who has acquired the shares and has become a member of the Company after the dispatch of the Notice of the AGM and holding shares as on the Cut-off date i.e. Thursday, 23<sup>rd</sup> September, 2021, shall be entitled to exercise his/her vote electronically. i.e. through remote e-voting or through e-voting system at the 27<sup>th</sup> AGM. Such members may obtain Sequence No. for e-voting by sending a request at maruti\_infra@yahoo.com and cast vote after following the instructions as provided in the Notice convening the meeting, which is available on the website of the Company and CDSL. However, if you are already registered with CDSL for remote e-voting then you can use your existing User ID and password for casting your vote.
19. The Members who have cast their vote by remote e-voting prior to the Annual General Meeting may also attend the meeting through VC or OAVM but shall not be entitled to cast their vote again.
20. Once the vote on a resolution stated in this notice is cast by Member through remote e-voting, the Member shall not be allowed to change it subsequently and such vote cast through remote e-voting shall be treated as final. The Members who have cast their vote by remote e-voting may also attend the AGM through VC/OAVM, however such Member shall not be allowed to vote again during the AGM.
21. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
22. Mr. Bharat A. Prajapati, Proprietor of M/s. Bharat Prajapati & Co., Practicing Company Secretaries has been appointed as the Scrutinizer to scrutinize the remote e-voting process as well as the e-voting system on the date of 27<sup>th</sup> AGM in a fair and transparent manner.
23. The voting results will be declared on receipt of Scrutinizers Report. The voting results along with the Scrutinizer's Report will be placed on the website of the agency [www.evotingindia.com](http://www.evotingindia.com) and also on the website of the Company [www.marutiinfra.in](http://www.marutiinfra.in), within two working days of the conclusion of the 27<sup>th</sup> AGM of the Company and will also be submitted to the BSE Limited (BSE) where the shares of the Company are listed.
24. Process and manner for members opting for voting through Electronic means:
  - (i) The voting period begins on Monday, 27<sup>th</sup> September, 2021 at 9:00 a.m. and ends on Wednesday, 29<sup>th</sup> September, 2021 at 5:00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Thursday, 23<sup>rd</sup> September, 2021, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
  - (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting.

- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

### MANAGEMENT DISCUSSION & ANALYSIS REPORT

#### ECONOMY & INDUSTRY OVERVIEW:

The financial year 2020-2021 was a challenging year for the Global economy because of outbreak of COVID-19 pandemic. Within weeks of WHO declaring the coronavirus outbreak as a pandemic, countries across the globe heading towards complete or partial lockdowns to mitigate the outbreak of COVID-19 pandemic. Globally, the COVID-19 pandemic has caused massive disruptions across every sphere of human and business activity. The social and economic restrictions on mobility disrupted the global supply chain and choked the production network across the globe. With an overall slowdown in the global economy which is estimated to have contracted by around 3.3% in 2020 on account of COVID-19 pandemic. With normalization of economic and availability of COVID-19 vaccine, the global economy was gradually opened.

The pandemic has undoubtedly affected India, the Indian economy has been slow down due to lockdown imposed by the Government but with the right economic stimulus and the gradual opening up of the lockdown the situation was improved. Interstate movement of goods is gradually picking up and retail financial transactions are showing a healthy trend. However the country has witnessed a second wave of the pandemic in March 2021.

Construction industry in India is one of the fastest growing industry and is said to be second largest industry in India after agriculture. The sector also makes significant contribution to the national economy, along with providing employment to the large number of people. The construction industry is broadly categorised into three segments Infrastructure (Roads, Railways, Irrigation etc.), Industrial (Refineries, Power Plants, Factories etc.) and Real Estate (Residential, Commercial, Institutional etc.). As infrastructure is highly responsible for propelling growth of other sectors and India's overall development, Government of India is giving huge impetus for development of infrastructure and construction services through focused policies such as open FDI norms, large budget allocation to infrastructure sector, housing for all, smart cities mission etc. India has become a large market for infrastructure and construction activities.

Construction industry is facing a huge crisis due COVID-19 pandemic due to nationwide lockdown and migration of Labour to their native place which creates a shortage of labour force. With ease in lockdown and interstate movement which will generate employment opportunity to labour force through which the construction industry will gain its momentum.

#### OPPORTUNITIES & THREATS:

The risk be it external or internal, is inherent in every business. Economic slowdown impact most segments of the economy. The main concerns are slowdown in growth in the economy, demand constrains for the products arising from the prevailing environment, natural calamities, low disposable income and change in the priority of consumers and fierce competition leading to higher spent on trade activities and promotional support necessitating allocation of more resources.

Formalised process of identifying and assessing business risk; specific action and monitoring mechanisms were put in place to manage these business risks.

In order to mitigate the risk, your Company has closely monitored various aspects like cost of the construction, material, time of completion of project etc. and whenever it has realized to take immediate action, it has given effect to. Focus on financial discipline including effective management of net working capital has helped to overcome the above risk and concerns to some extent.

## Independent Auditor's Report

To the members of  
**Maruti Infrastructure Limited**  
Report on the Audit of the Standalone Financial Statements

### Opinion

We have audited the accompanying standalone financial statements of MARUTI INFRASTRUCTURE LIMITED (the "Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements"). In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

**Emphasis of Matter**

Our opinion is not modified in respect of this matter.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder Information, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Management's Responsibilities for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the standalone financial statements, management is responsible for assessing

the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
  - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
  - e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended :

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
  - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its subsidiary companies incorporated in India.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## **Annexure “A” to the Independent Auditor’s Report**

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Maruti Infrastructure Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of MARUTI INFRASTRUCTURE LIMITED (the “Company”) as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of

the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of the management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

**Annexure B referred to in paragraph 1 of the section on “Report on other legal and regulatory requirements of our report of even date**

TO THE MEMBERS OF  
MARUTI INFRASTRUCTURE LIMITED

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipments.
- (b) The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds / registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date.
- (ii) The inventories have been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. No material discrepancies were noticed on such physical verification.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clause 3(iii) (a), (b) and (c) of the Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2021 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- (vi) The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus, reporting under clause 3(vi) of the order is not applicable to the Company.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
  - (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees’ State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
  - (b) There were no undisputed amounts payable in respect of Provident Fund, Employees’ State Insurance, Income Tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.
  - (c) According to the information and explanations given to us, there are no dues of Income-tax

or Sales tax or Service tax or Goods and Services tax or duty of Customs or duty of Excise or Value added tax which have not been deposited by the Company on account of disputes.

- (viii) In our opinion and according to the information and explanations given by the management, the Company has not defaulted in repayment of any loans or borrowings from financial institutions, banks and government or has not issued any debentures.
- (ix) According to the information and explanations given by the management, the Company has not raised any money by way of initial public offer or further public offer or debt instruments. Further, term loans were applied for the purpose for which the loans were obtained.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or no material fraud on the Company by the officers and employees of the Company has been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- (xii) In our opinion, the Company is not a nidhi company. Therefore, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon.
- (xiii) Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the standalone financial statements, as required by the applicable accounting standards.
- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) According to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

## SIGNIFICANT ACCOUNTING POLICIES

### CORPORATE INFORMATION

Maruti Infrastructure Limited (“the company”) is a public limited company domiciled and incorporated in India and its shares are publicly traded on the Bombay Stock Exchange (“BSE”), India. The registered office of the company is situated at 802, Surmount Building, Opp Iscon Mega Mall, S G Highway, Ahmedabad 380015. The principal business activity of the company is Construction & Infrastructure. The company has its presence in the states of Gujarat.

The financial statements were authorised for issue in accordance with a resolution passed by the Board of Directors on 30<sup>th</sup> June , 2021.

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### 1.1 Basis of preparation of financial statements:

The financial statements (Separate financial statements) have been prepared on accrual basis in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and the provisions of the Companies Act, 2013.

For all periods up to and including the year ended March 31, 2021, the company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (previous GAAP).

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities which have been measured at fair value (refer accounting policy regarding financial instruments). The financial statements are presented in Indian Rupees, except as stated otherwise.

#### 1.2 Estimates and Judgements

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions effect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in note 2.2. Accounting estimates could change from period to period. Actual results may differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

#### 1.3 Current versus non-current classification

The company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The normal operating cycle, in the context of the company, is the time between the acquisition of land for a real estate project and its realisation in cash and cash equivalents by way of sale of developed units.

#### **1.4 Property, Plant and Equipment**

Freehold/Leasehold land and capital work-in-progress is carried at cost. All other items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost of an item of property, plant and equipment comprises of its purchase price, any costs directly attributable to its acquisition and an initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the company incurs when the item is acquired. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred. On transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant and equipment recognised as at April 1, 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation on property, plant and equipment is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives. The useful lives estimated for the major classes of property, plant and equipment are as follows:

The useful lives have been determined based on technical evaluation done by the management's experts, which in few cases are different than the lives as specified by Schedule II to the Companies Act, 2013. The residual values are not more than 5% of the original cost of the asset. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the statement of profit and loss when the asset is derecognised.

#### **1.5 Inventories**

Inventories are valued as under:

- I. Completed Flats - At lower of Cost or Market value
- II. Construction Work-in-Progress - At Cost

Construction Work-in-Progress includes cost of land, premium for development rights, construction costs, allocated interest and expenses incidental to the projects undertaken by the Company.

#### **1.6 Cash and Cash Equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short term

deposits maturing within twelve months from the date of Balance Sheet, which are subject to an insignificant risk of changes in value. Bank overdrafts are shown under borrowings in the Balance Sheet.

## 1.7 Financial Instruments

### A. Financial Instruments - Initial recognition and measurement

Financial assets and financial liabilities are recognised in the company's statement of financial position when the company becomes a party to the contractual provisions of the instrument. The company determines the classification of its financial assets and liabilities at initial recognition. All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

### B. Financial assets –Subsequent measurement

The Subsequent measurement of financial assets depends on their classification which is as follows:

#### a) Financial assets at fair value through profit or loss

Financial assets at fair value through profit and loss include financial assets held for sale in the near term and those designated upon initial recognition at fair value through profit or loss.

#### b) Financial assets measured at amortised cost

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowance for estimated irrecoverable amounts based on the ageing of the receivables balance and historical experience. Additionally, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. Individual trade receivables are written off when management deems them not to be collectible.

#### c) Financial assets at fair value through OCI

All equity investments, except investments in subsidiaries, joint ventures and associates, falling within the scope of Ind AS 109, are measured at fair value through Other Comprehensive Income (OCI). The company makes an irrevocable election on an instrument by instrument basis to present in other comprehensive income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable. If the company decides to designate an equity instrument at fair value through OCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI.

### C. Financial assets –Derecognition

The company derecognises a financial asset when the contractual rights to the cash flows from the assets expire or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset. Upon derecognition of equity instruments designated at fair value through OCI, the associated fair value changes of that equity instrument is transferred from OCI to Retained Earnings.

### D. Financial liabilities –Subsequent measurement

The Subsequent measurement of financial liabilities depends on their classification which is as follows:

**a) Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading, if any.

**b) Financial liabilities measured at amortised cost**

Interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method (EIR). Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are integral part of the EIR. The EIR amortised is included in finance costs in the statement of profit and loss.

The company has taken loan from NBFCs for project. As per Ind AS, the cost of processing should be added to Loan amount and to be transferred to profit and loss account as per tenure of Term loan.

Since, the amount of processing charges and impact of Ind AS applicability is not material, the company has decided to take exemption from conversion of the same on the basis of materiality concept.

**E. Financial liabilities –Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or expires.

**F. Offsetting Financial Instruments**

Financial assets and financial liabilities are offset and the net amount reported in the statement of financial position, if and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

**G. Fair value measurement**

The company measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the assets or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible to the company.

The company uses valuation technique that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

**1.8 Revenue Recognition**

- a) The Company is following the “Percentage of Completion Method” of accounting. As per this method, revenue from sale of properties is recognized in Statement of Profit & Loss in proportion to the actual cost incurred as against the total estimated cost of projects under execution with the Company on transfer of significant risk and rewards to the buyer.

Construction revenue on projects have been recognized on percentage of completion method provided the following thresholds have been met:

- I. All critical approvals necessary for the commencement have been obtained;
- II. The expenditure incurred on construction and development costs is not less than

- 25 per cent of the total estimated construction and development costs;
- III. At least 25 percent of the saleable project area is secured by contracts or agreements with buyers; and
  - IV. At least 10 percent of the agreement value is realized at the reporting date in respect of such contracts and it is reasonable to expect that the parties to such contracts will comply with the payment terms as defined in the contracts.
- b) Determination of revenues under the percentage of completion method necessarily involves making estimates, some of which are of a technical nature, concerning, where relevant, the percentages of completion, costs to completion, the expected revenues from the project or activity and the foreseeable losses to completion. Estimates of project income, as well as project costs, are reviewed periodically. The effect of changes, if any, to estimates is recognized in the financial statements for the period in which such changes are determined. Losses, if any, are fully provided for immediately.
  - c) Revenue from the Construction contracts is recognised on the basis of percentage of completion method as specified under Ind AS 15 issued by the Institute of the Chartered Accountants of India. Accordingly the revenue is recognised after assessing the stage of completion as at the Balance Sheet date.
  - d) For completed projects revenue is recognised when significant risks and rewards in respect of ownership of the goods are transferred to the customer.
  - e) Interest income is recognised on time proportion basis.
  - f) Dividend income is recognized when the right to receive the same is established

### 1.9 Impairment of Assets

The Company assesses at each reporting date whether there is any indication that assets may be impaired. If any such indications exist, the Company estimates the recoverable amount of the assets or the cash-generating unit and if the same is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the assets are reflected at the recoverable amount.

### 1.10 Depreciation and Amortization

Depreciation on tangible assets is provided on the straight-line method over the useful lives of assets estimated by the Management. Depreciation for assets purchased / sold during a period is proportionately charged. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Company for its use.

Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013

### 1.11 Employee Benefits

#### Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions for provident fund and pension as per the provisions of the Provident Fund Act, 1952 to the government. The Company's contribution is recognised as an expense in the Profit and Loss Statement during the period in which the employee renders the related service. The company's obligation is limited to the amounts contributed by it.

Currently, only defined benefit plan such as Provident Fund Is applicable to the Company since employees on payroll of the company is very less.

If the company hire more employees and it exceeds threshold specified in Gratuity Act, then the company will have to make provision for defined Long term benefit plans. For this the company have to take actuarial valuation report.

#### **1.12 Borrowing Costs**

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to Profit & Loss Account.

#### **1.13 Tax Expense**

- i. Tax expense comprises of current tax and deferred tax.
- ii. Current tax is measured at the amount expected to be paid to the tax authorities, using the applicable tax rates as per the Income Tax Act, 1961.
- iii. Deferred income tax reflect the current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years/ period. Deferred tax assets are recognised only to the extent that there is a reasonable certainty that sufficient future income will be available.
- iv. Deferred tax assets and liabilities are measured using the tax rates and tax law that have been enacted or substantively enacted by the Balance Sheet date.

#### **1.14 Earnings Per Share**

- i) Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.
- ii) For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

#### **1.15 Provisions, Contingent Liabilities and Contingent Assets**

- a) A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
- b) Contingent liabilities, if any, are disclosed separately by way of note to financial statements after careful evaluation by the management of the facts and legal aspects of the matter involved in case of:
  - A present obligation arising from the past event, when it is not probable that an outflow of resources will be required to settle the obligation.
  - A possible obligation, unless the probability of outflow of resources is remote.
- c) Contingent assets are not recognized.

#### **1.16 Dividends**

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the company, on or before the end of the reporting period but not distributed at the end of the reporting period.

### 1.17 Exceptional Items

Exceptional items refer to items of income or expense within statement of profit and loss from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the company.

**Note : 25 Credit Risk Management**

Credit risk is managed on a group basis. For banks and financial institutions, only high rated banks/institutions are accepted.

For other financial assets, the company assesses and manages credit risk based on internal credit rating system. The finance function consists of a separate team who assesses and maintains an internal credit rating system. Internal credit rating is performed on a group basis for each class of financial instruments with different characteristics.
